

About yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Hi I'm Lee, I'm English. I grew up in London and studied Criminology at the University of Greenwich before moving to Sussex in 2009.

I'm quite a chilled person and people say I have a calming influence on those around me. Love a good candle! I like to use humour to get me through life, whatever the situation. I believe in trying to keep things simple.

I have a lovely 8 year old daughter who I enjoy spending time with as often as possible, she shares my humour so we have a great laugh together. We like people watching and doing voice overs for them!

I've played rugby but my passion is boxing. I'm currently in the process of obtaining a boxing coaching qualification and would like to link this in with my role at Anderida.
